**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We have one broadband provider -- Comcast -- that serves our house. Their service is terrible and expensive. We have zero choice and view Comcast as a monopoly. Local broadband providers like Sonic hire local customer service people and employee Americans, while Comcast and AT&T offshore their call centers.

Please make sure we continue to have competition in this critical arena.
